SANITARY WARE SPECIFICATION SHEET

GROHE ALLURE

BEAUTY MEETS FUNCTION

Perfectly balanced proportions on the outside and technically advanced on the inside – Allure unites inherent beauty with unmatched performance. Cylindrical bodies rise from square and rectangular base plates adding to its minimalist appeal, while the collection offers a choice of two handle styles – a flat lever or a tri-spoke design – to meet your exacting requirements.

Faucets and fittings in this collection illustrate our commitment to unrivalled quality in the bathroom.
