GROHE EURODISC JOY

DESIGN THAT GIVES PLEASURE

Out of the ordinary. Take it easy for the whole day – just switch off your mind and let inspiration into your everyday life. Eurodisc Joy bathrooms were created for connoisseurs of pleasure, who love unique things and appreciate creative details. This collection is so special that it won us the Red Dot Design Award.

Easy to clean thanks to the GROHE StarLight chrome coating

Just wipe the tap down with a dry cloth – the ultra smooth surface finish is scratch resistant and ensures a lasting luminous sheen. You'll save plenty of time cleaning while your tap always looks shiny and new.

GROHE EcoJoy with water-saving function for reduced consumption

GROHE EcoJoy reduces water consumption by up to 50% without compromising on performance. Whenever you turn on your tap, you will enjoy a full jet of water while saving money nonetheless.

Smooth joystick handling for effortless precision and ultimate convenience to last a lifetime. The brand new GROHE FeatherControl cartridge brings joystick control to a whole new level. Using state-of-the-art coated ceramic discs and an innovative sealing, the GROHE engineers have created a joystick cartridge with a wider volume and temperature angle – for a more precise control – with the same silky smooth operation as our renowned GROHE SilkMove® cartridge.

Only GROHE mixers deliver the unique GROHE FeatherControl experience. The solid smooth handling of our joystick-lever mixers perfectly expresses the quality and superiority of our brand.brand.

The wide FeatherControl temperature angle ensures more precise temperature control.

Effortless fingertip control and silky smooth operation, thanks to the superior ceramic disc-coating.

Even after years FeatherControl guarantees the same smooth operation as on day one.
