GROHE STAINLESS STEEL SINKS

INNOVATIVE FEATURES, FINISHES AND MOUNTING TYPES

Customise your kitchen space by choosing the perfect GROHE sink for you. Our K-series range of stainless steel sinks covers every size, configuration and price point, so you're sure to find your perfect fit. The range includes 1, 1.5 or 2 bowl options. Various mounting types from built-in to undermount are available for your individual taste. Make it your very own central kitchen hub with our accessories – perfectly matching our sinks for your ultimate comfort.

We are also confident that you will love the special features on offer, from the noise-reducing GROHE Whisper insulation to the automatic waste that means never plunging your hand into dirty water again. With a sink from GROHE you'll notice the difference, making every time you use your sink less of a chore.

INNOVATIVE FEATURES

GROHE StarLight

All GROHE sinks use stainless steel graded above the industry average, so you can be confident of their quality and durability. Our innovative brushing technique means that the sparkling steel surface is ultra smooth for easier cleaning.

GROHE QuickFix

Install your sink swiftly and easily thanks to the GROHE QuickFix system (kit supplied). With two pre-punched tap holes most of our sinks are easily reversible, giving you the flexibility you need for any design scheme.

GROHE Whisper

Shhh! A special insulation on the underside of the sink means that noise from running water and handling pots and pans is reduced to a minimum.

MOUNTING TYPES

Topmount

Traditional built-in with a vertical 8 mm edge.

Flat-edge

An original edge with an inclined 3 mm high profile, matching an extreme elegance with the ease of installation.

Undermount

Sleek and contemporary, ideal for installation under the worktop.

Flush-mount

The product is sunk 1,5 mm deep recess making it perfectly flush with the worktop. Alternatively, it can be installed on the worktop.
