GROHE QuickFix: Easy, fast and hassle-free installation with covered screws

GROHE StarLight chrome finish: super resistant against scratches and soiling

In developing GROHE StarLight, we've brought our surface finishing technology to perfection, and we pride ourselves in achieving a scratch resistance ten times higher than that of ordinary chrome. On top of that, the surface is super easy to clean: a quick wipe with a dry cloth is all it takes to keep your tap looking shiny and new, even after years of use.
