Perfect Time Shower Panel TM Ref # 607100

- exposed installation
- Thermostatic mixing handle to adjust water temperature
- Flow time is adjustable onsite to between 10-40 seconds
- For hot and cold water

PERFECT TIME M

SHOWER PANELS

Self-closing shower panel. Activated by manual push button. Incorporates an aluminum panel and vandal resistant shower head with easily cleanable silicone nozzles. The water flow will automatically shut off after a factory set flow time.

Advantages:

- Drastically reduces water consumption
- No moving parts, ideal for heavy duty areas
- Non hold open feature
- Thermostatic control for optimum temperature and scalding prevention (TM model)
- Aluminum panel with Epoxy coating for high corrosion resistance
- Provides a retrofit solution for old shower systems. Conceals damages and prevents the need of replacing tiles
- Default top inlet installation with options for rear inlet installation

Note:

** All information of the above is for the reference only. No prior notice is made if any changes.*
