SANITARY WARE SPECIFICATION SHEET

GROHE PLUS

ACCURACY THAT GOES BEYOND DESIGN

Imagine a bathroom that offers not just sleek, cutting-edge, bold design design, but also confidence and control. Where you can tell water temperature at a glance and switch water flow with just a swipe of your hand. A room where nothing is left to chance, where form delivers function in a sleek, tactile package. With the new GROHE Plus you can make it a reality.

This innovative range puts control and convenience in your hands, delivering accurate temperature information at a glance. The GROHE Plus range includes some faucets with a temperature display, so you know the water will always be just the right temperature. GROHE Plus also offers a new level of ergonomic comfort and practical function too, presented in a silhouette of architectural strength and elegance, with surfaces so sleek they invite interaction.

Pop-up waste for easy operation

Elegant and easy to operate: close the pop-up waste by pulling the rod at the back of the tap and push down to open it again.

SPARE PARTS

GROHE EcoJoy with water-saving function for reduced consumption

GROHE EcoJoy reduces water consumption by up to 50% without compromising on performance. Whenever you turn on your tap, you will enjoy a full jet of water while saving money nonetheless.

GROHE QuickFix Plus – quick and easy installation in a few simple steps

Save time on the installation of your tap with GROHE QuickFix Plus. Consisting of fewer parts, our new system makes the installation process quicker and easier than ever.
