<p>DESCRIPTION</p> <p>Be-line® L-shaped grab bar, anthracite, H. 750mm Ref. 511970C</p> <ul style="list-style-type: none"> · Be-line® L-shaped grab bar for showers or baths, for people with reduced mobility. · Helps the user stand and move safely in the shower or bath. · Use as a shower rail by adding a shower head holder and/or soap dish. · Aluminium tube thickness 3mm. Solid aluminium fixing points. · Rounded profile Ø 35mm with ergonomic flat front face that prevents rotation for an optimal grip. · Metallised anthracite powder-coated finish provides a good visual contrast with light-coloured walls. · Uniform surface for easy maintenance and hygiene. · 38mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance. · Concealed fixings. · Supplied with stainless steel screws Ø 8 x 70mm for concrete walls. · Dimensions: 750 x 450mm. · Tested to over 200kg. Maximum recommended user weight: 135kg. · CE marked.
