· **HINGED COVER**: for operator convenience and speed of service. Opening on top with provided Mediclinics key that allows soap refill.

· **POWER**: 6 AA alkaline batteries (not provided).

Mounting Template

Fix the soap dispenser through the holes of the wall and floor plates, using the stainless steel screws supplied and taking into account the distances of the points indicated by an "S" in the next figure:

VERY IMPORTANT:

Do not install this soap dispenser inside the shower, as its electrical components can be seriously damaged by water and the dispenser stops working. If you choose the configuration with an electric converter, install it away from any source of water.
